 - 8.1. The 109th Guild Council accepts the results of the referendum held between Sept 19 to 23 in which students voted for the University of Western Australia (UWA) to take action on the climate crisis by divesting from fossil fuels.
- 9. MOTIONS WITHOUT NOTICE**
 - 9.1 The 2022 Ordinary General Council Meeting:
 - 1) Urges the withdrawal of the current proposal to close down SymbioticA, a world renowned biological art research centre.
 - 2) Recognises that this proposal is a continuation of UWA management's profit-driven 2021 restructure, and is emblematic of their total disregard for students' futures as well as the role of the arts in our society.
 - 3) Calls for any proposal to cut the SymbioticA laboratory to go through the proper channels, (i.e. consultation with students and Academic board) and reaffirms that decisions with regards to academic matters should require approval from the student body and the Academic Board.
 - 4) Demands the acknowledgement of the students who would be affected by the closure of SymbioticA; and an apology from the university for the erasure of said students in the proposal, which falsely stated that no students are enrolled in the institute.
